

C. CURTIS.

Surgeon, and Man-midwife SUNBURY Middlesex,

B E G S leave to inform the Public, that his Apprenticeship with the late Doctor EDGER, at SARAUM, in WILTS, he has taken up his Diploma at LEAKS Hospital at WESTMINSTER, and have followed the above Practice of Surgery and Midwifery for this Eight Years past, and have cured the following diseases after they have baffled the Art of Surgeons, and Physicans of the greatest characters, such as Wounds, Tumours, and Ulchers, either Scorbutic Kings Evil, scal'd Head, Burns, broken Breastes, sore nipples, the Gravel and Stone, give present relief, the Itch in Six Days, the Veneral disease or Pox, if ever so bad or long standing, the scurvy, St. Antonys fire, Quinsy sore Eyes, yellow and black Jaundices, the Dropsy if given over by others as incurable, they may depend on a cure by me, the Piles the Mørp-hew, the Shingles, Agues, Thurst, Headach, Plurisy, and most disorders Incident to Women, Convulsion Fits in Men, Women and Children, after they have had all the advice the Kingdom can aford them, they may depend on a cure by applying to me, the Worms in Men, Women, and Children, also Consumption if taken in time.

N. B. Such Women as in time of Labour will apply to me for assistance in that awfull hour of distress may be thus assured, that nothing shall be wanted that is in the power of Man to relief or the Virtue of Medicine to give ease in, that cricital and most awful Moment of distress, where the utmost delicacy and Judgment cannot be to well applied, no care and tenderness to much attended as to the preservation of both Mother and Child.

* * All disorders that may befall either Mother, or Child, in their Month, shall be cured Grans. for Half a Guinea only at the time of Delivery, but if nothing of the kind should hapen to either. Five shillings only, they that live within Six Miles of SUNBURY; Whoever doubt of my knowledge in the Art of Midwifery, apply to me where they shall have a prove of it in the neighbourhood of HALLIFORD, one Mile and a half from SUNBURY, which was a Case that Occur to me and was sufficient to me to prove my Judgment, in the said Art,

☞ Bleeding, and Tooth drawing performed with care
and Accuracy.
